Saint Joseph College presents

Dan Kamin's Comedy in Motion

A Cheap Evening of Expensive Theatre

Friday, January 27, 2012

Critics describe comedian and illusionist Dan Kamin as “a breathtaking display of theatricality that’s sharp, funny and highly inventive.” This winter, Kamin will entertain audiences at Saint Joseph College with his world-renowned comedic and kinesthetic skills. **Kamin will perform on Friday, January 27, 2012, at 7:00 p.m. in the Bruyette Athenaeum’s Hoffman Auditorium on Saint Joseph College’s main campus in West Hartford. General Seating. Tickets are \$20 for adults, \$15 for senior citizens and \$10 for children.** For ticket information, call the Frances Driscoll Box Office at 860.231.5555 or order online at www.sjc.edu/arts.

Kamin trained many of Hollywood’s notable actors in the art of physical comedy. He created the comedy sequences for the movies *Chaplin* and *Benny and Joon*. He also trained Robert Downey Jr. and Johnny Depp for their award-winning performances. Kamin has written “Charlie Chaplin’s One-Man Show,” a book that details the secrets of his comedy.

Throughout his career, Kamin has performed at festivals, theaters and colleges nationally and internationally. In his “Comedy in Motion Show,” Kamin incorporates audience interaction as he “exposes” the secrets of magicians. He performs sequences based upon situations that

audience members of any age will relate to, such as getting into an exclusive restaurant. In all of his shows, Kamin blends comedic timing with physical spectacles.

Saint Joseph College, founded in 1932 by the Sisters of Mercy to provide higher education opportunities for women, is a comprehensive institution serving women from diverse backgrounds and religious traditions. More than 22 majors and six pre-professional programs are available plus accelerated bachelor's to master's degrees. Responsive to the evolving educational needs of the community, the School of Graduate and Professional Studies offers both women and men graduate degree programs including: management, counseling, education, and nursing along with online programs in biology, biochemistry and nutrition. In addition, the undergraduate Weekend Program for Adult Learners, professional certificate programs relevant to today's workforce and other continuing co-educational learning opportunities are available. In the fall of 2011, the Saint Joseph College School of Pharmacy, the first doctoral program in the College's 79-year history, welcomed its first class to Hartford 21 on Trumbull Street in downtown Hartford.
